Arts and Crafts Festival attracts large crowd

St. Albert's first Arts and Crafts Festival, held Sunday afternoon was an unqualified success, attracting more than 300 people to the Sir George Simpson school auditorium.

Deputy Mayor Frank Lukay introduced Walter Kaasa to open the festival. "I have

followed the progress of the Arts and Crafts Guild in St. Albert with much interest from its beginning" said Mr. Kaasa. "It took a lot of interested people to get it going - and it is obvious at this festival that you still have a lot of interested and enthusiastic people at work

here." Mr. Kaasa is director of the Cultural Development Branch of the Provincial Government. A highlight of the festival was the ceramics section, where work was actually turned out on a pottery wheel. The new course being offered in ceramics was filled before the festival was over. Among those attending were a number of representatives from both local school boards.

Thirty-one courses in various arts and crafts were listed on the festival program, and program director Karen Grant, reports that all of these will be repeated if sufficient numbers enroll. The guild is perhaps best known for the Art Auctions held in 1968 and again in 1970 at Molson's House, which drew enthusiastic response. This was the first festival they have staged and the guild board was most pleased with its success. Organizer was Mrs. Ginny Hood.

Present members of the board are Doug Folkins, president; Angela Broadner, vice-president; Carol Barry, secretary and Dave Barry, treasurer. Members at large are Annette Delb, Ginny Hood, Cathy Shyplika and Karen Grant.

An advertisement giving information on the new courses can be seen in this issue.

Fowler will seek Sacred nomination

Richard S. Fowler of St. Albert has announced that he will seek the Social Credit nomination in St. Albert constituency.

The party's nominating meeting for the constituency is scheduled for March 31 in Morinville.

Mr. Fowler, 38, is a former mayor of St. Albert. He is regional manager of Dunham Bush of Canada Ltd., a firm in the heating, air conditioning and refrigeration field. He is presently enrolled in the pre-law and political science program

at the University of Alberta.

A resident of St. Albert for the past 13 years, Mr. Fowler was a member of St. Albert Town Council from 1963 to 1965. He served two terms as mayor between 1965 and 1968.

He is a member of the board of trustees of Sturgeon General Hospital and serves as chairman of the public relations committee. Recently named to the board of governors of Athabasca University, he is chairman of the board's finance committee.

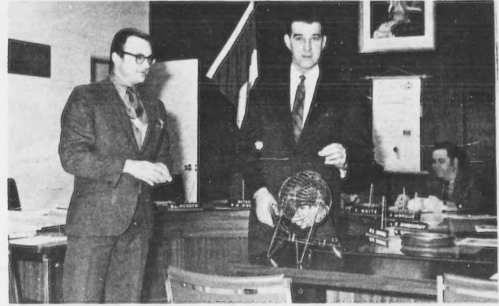

Mr. Fowler has served on the executive of the Alberta Association of Urban Municipalities and on the government committee on property taxation. He is a past president of the St. Albert Social Credit Constituency Association.

Mr. Fowler is currently president of the St. Albert Swim Club, Alberta "B" Club champions in 1970.

He and his wife, Vera, have six children. They make their home at 56 Gresham Boulevard, St. Albert.

Council reconsiders Forest Lawn land use

Council considered the recommendation of committee on the proposed site for the new high school for the Protestant school district, at their regular meeting, Jan. 18. The plan necessitates a property exchange of the lands dedicated to the town in the Forest Lawn replot. The exchange would place the town's 8.6 acres in the southwest rather than the south. Committee recommended council approval of the property exchange and layout for school as proposed by District 6, and that a park plan for the town

property be prepared.

Councillor White opened the discussion with the remark that since committee meeting he had given further thought to the recommendation and felt perhaps "we shouldn't have done

this." Councillor de Bruijn agreed - "I have had some second thoughts and some reservations as to this use of the town land." He went on to say that council should explore the advantages to the public of selling the land, and funds could be set aside for a major sport complex.

Councillor Russell, who had made the motion in committee, stated he was an-

Everitt goes after nomination to serve fourth term

It is indeed a pleasure for me today to officially announce that I will be seeking the Social Credit nomination on the 31st of March in the Morinville recreation centre, for the St. Albert constituency.

Although many may have anticipated this move I can assure my constituents that I have made this decision only after consultation with many citizens and so I say humbly "My hat is in the ring."

You may have heard me say in the past that this is not the easiest constituency to represent. The largest town in the province of Alberta will need more attention than ever. St. Albert has not been ignored in the past and has become a beautiful town relatively free of industry. There is the old and the new. Back in 1959 when I was first elected to serve the area the population was 2,200. Who would have ever dreamed it would increase by over 500 per cent in just 12 years?

I would hope to have the opportunity to continue to

KEITH EVERITT

represent this area with a well balanced program for both those engaged in agriculture and those who enjoy urban living.

Surely a candidate must know the problems of town councils, school boards, municipal councils and hospital boards as well as he knows the difference between barley and oats. Citizens living in apartments, mobile homes, on farms or in \$60,000 homes must all be treated fairly and honestly one with another.

Reeve Kluthe Reports

Reeve Lawrence Kluthe reports this week on some of the matters MD Sturgeon, among other municipalities, hopes to bring before the annual spring meeting of the Alberta Association of Municipal Districts and Counties.

Ministers of the Departments of Municipal Affairs and Highways will be invited to attend and discuss two areas of concern for the municipalities.

The matter of snow removal on private property is apparently handled differently in various parts of the province, and discussion will be held on whether this is in fact permissible by municipalities, and if so what charges should be levied.

There is some confusion regarding the issuing of overload permits by the highways department as against the municipalities. If the municipalities issued the permits for roads under their jurisdiction, they

would be able to control load limits on such roads as those with light hard surfacing, on which overloads can cause expensive damage. A blank permit issued by the department for all goods does not permit such control by local councils, who would like to see the matter clarified.

Last chance for singers

This Thursday, Jan. 28, is the last chance for singers who would like to perform with the St. Albert Singers in "Messiah" this spring, to declare their intention. Part 11 of Handel's great oratorio will be sung by our local community choir, tentatively on the evening of Palm Sunday, April 4.

The St. Albert Singers rehearse Thursday evenings at 8:45 in the lower hall of the St. Albert United Church. Director is Mrs. Lillian Wright, phone 599-6997.

Shenfields mark silver wedding

By Liz McLeod

On January 8 in Winterburn Hall, relatives, neighbors and friends turned out to help Josselyn and Stephanie celebrate their 25th wedding anniversary. They were married on Jan. 5, 1946.

A good crowd turned out despite the weather and roads to enjoy the good old time music provided by "The Western Travellers."

The three-tier wedding cake which was made by Mrs. Myles Kerr and decorated by Mrs. Vance Berry and Mrs. Roy Schmarnum centred the head table. A beautiful potted arrangement of pinky orange lily roses and fern, compliments of the legion of which Joss

and Stephanie are charter members, further beautified the table.

Seated at the table of honor were Mr. and Mrs. J. Shenfield Sr., Rev. and Mrs. A. C. Hooper, the acting bridesmaids, Stephanie and Josselyn, acting best man Mr. George Gamble and Mr. and Mrs. Harold McLaughlin. Mr. McLaughlin was the capable master of ceremonies.

For the program which followed lunch there was a toast to the honored couple followed by introductory remarks from the M.C. He called upon Mrs. Pete McLeod of Calahoo WI to present Stephanie with a gift from her fellow members - a silver tea pot.

Mr. C. Caton from Stony Plain spoke on behalf of the legion and the auxiliary.

Since Joss is assistant fieldman in our M.I. it was timely to have Mr. Jim Staine bring greetings and good wishes, with his own special brand of humor.

Mr. Bob Dandeneau rose to the occasion on behalf of the Spruce Grove Elks and the auxiliary and presented Joss and Stephanie with a gift of Corning Ware.

Many lovely gifts were received and both Mr. and Mrs. Shenfield expressed their joy and appreciation for this happy occasion that was sponsored by the Calahoo Women's Institute. They thanked their relatives, Joss's dad and mom, Mr. and Mrs. Jack Shenfield, Joss's brother and wife, Allan and Maxine, their children and all the friends who came out to help them celebrate.

Mr. and Mrs. J. J. Shenfield have six children Ian, Elaine, Mark, Allistar, Harriet and Timmy.

Two couples, Mr. and Mrs. Hector Quintal, married 23 years and Mr. and Mrs. Alex Shannon, married 19 years were called forth and honored for their anniversaries, both of which fall on January 8.

As I See It

By Rose Martal

As St. Valentine's Day is near I would like to pay tribute to a group of old lovers among us yet. Firstly to the 10 couples from our district who celebrated their golden wedding anniversaries during 1970. Congratulations also to the dozens of other couples who celebrated wedding anniversaries of 25 years or longer.

In my opinion each one of these married couples are living examples of faith, devotion, understanding and integrity. No matter how life treated them they always found hope, because they have faith.

They lived believing they should make the best of each day, giving an honest day's work no matter how small the pay, accepting the reverses or tragedies that came their way, and always trusting in God and their

fellowman.

They developed their values for building their lives by learning, very early in life, that to eat, one had to work, and produce a profit for the employer to keep himself on the job. Each one of those pioneers knew what real hardships mean, without union wages or strike demands.

They learned that experience was the best teacher, opportunity was always a welcomed bonus, integrity and stability were the best guarantee for credit and advancement in the business world, as well as on the land.

Education was part of the family life beginning in early childhood, and included daily small chores for the small ones. Gradually family education developed, alongside with schooling, teaching

values for living.

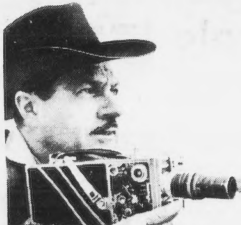

As I see it, our pioneers and elders are leaving Canadians a great heritage in spirit, in material wealth, in principles, but most of all - the gift of faith. To have faith, one must first believe in one's self, and then trust, respect, and believe in his fellowman. Each one of those wonderful people who last year celebrated anniversaries, be it 50 golden years or 25 years of sharing life with the same partner, is an example that all young people should analyze and take a recipe for good living from.

A former Canadian Prime Minister and great statesman, the late Sir Wilfrid Laurier, once said "Faith is better than doubt; Love better than hate." Our pioneers lived that creed and bless them for it today.

Convention great

- says St. Albert group

Candidate ERNIE JAMISON and 17 of his working supporters who were able to get away, report a fabulous Conservative convention in Calgary last week. From young fellows like PAUL RIOPEL and MAURICE LOWE to old pros like NEIL ROSS

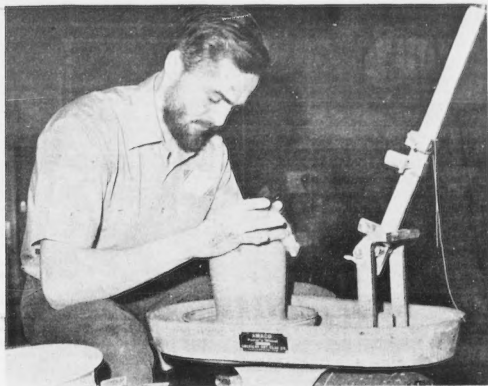

and SARA ROSS, everybody enjoyed the whoop-la and crowds the funny skits and serious speeches. The visiting with old conservative friends from all over the province and the plucky workshops and M.L.A. "HOT SEAT" panel. And the whole show exploded in the tremendous rally Saturday night.

To quote Neil - "I've been in the political game most of my life - and I've never seen anything to beat this convention!" Everywhere the enthusiasm and the friendliness was contagious, and underneath the feeling of determination and optimism of these Conservatives from teen-agers to oldtimers was unmistakable.

With Ernie and Shirley Jamison in the St. Albert Constituency group were Rene and Delores Kambouroff, Bob and Wanda Prather, Ray and Eileen Gibbon, Bill and Cathy Lutzalk, Rod and Betty Thronsdon, Neil and Sara Ross, Bob Lema, Paul Riopel, Maurice Lowe.

Janie Bostak, 11 years old, holding the Nancy Lee Hays National Dance Trophy she won at the recent open National Highland Dance competition in Edmonton. Other winners from the St. Albert Branch of the Ellen Flotten School of Dancing were Catherine O'Neill, Maura McHugh, Maurine Sullivan and Marsha Rigney.

Walter Grigat, one of the instructors in ceramics demonstrates the working of a potter's wheel for the Crafts Festival audience. This was a favorite of the displays, and his class was filled by the end of the showing for the upcoming course.

Housebuilding Increase Predicted

A general increase in house-building in 1971 is predicted by Ab Truss, vice-president of Marketing for Nelson Manufactured Homes of Lloydminster, one of Western Canada's largest manufacturers of homes.

"There should be an increase in house building for two reasons - improved economic conditions and the growing desire by more people to own their own homes," Mr. Truss explained.

Commenting on the increased popularity of the manufactured home, which his company designs and produces for Western Canadians as well as residents of the Yukon and the Northwest Territories, Mr. Truss said:

"The manufactured home is becoming the recognized way of house-building today. The manufactured home reduces on-site labour costs and errors, because the home is pre-fabricated in a factory with the most modern efficient machinery available today."

"We are also happy to announce that while building costs have been rising, we have

not had to increase the cost of our 1971 homes and in many instances, through efficient planning, have been able to reduce the cost of many models for this year," Mr. Truss said.

Letters To The Editor

Council defended

The Editor:
Like your correspondent Mrs. L. A. Kuzs, I am hoping that a way can be found to continue a homemaking service in St. Albert, but it is surely appropriate at this time for council to be making a careful assessment of its services. The administrative complexities of the programs offered under various headings - hospital services, preventive health, preventive social services, social development local and provincial, not to mention the voluntary services - demand that thought be given to either the integration of

some of these or, at the very least, joint planning and operative linkage.

Neither does the physical separation of available services contribute to overall efficiency. To this end, a proposal is being developed concerning health, medical and social services buildings to be located between the Sturgeon General Hospital and the Youville Home. This will be submitted to town council in due course. Comments and enquiries from interested individuals or organizations are invited.

(Dr.) J. M. Howell,
Medical Officer of Health.

HELP SOCIETY

The Editor:

There is mounting concern over the future of the Homemaker Service provided by the St. Albert Help Society with funds obtained from the Town and Provincial Government on a 20-80 per cent subscription.

There is an agreement between the town and the province to provide preventative social services and, as we are well aware, the town has been without a director for these services for approximately four months.

In addition to this, an advisory committee convened by the past director has been impatiently waiting for the town to pass a bylaw whereby an advisory board would be set up to ensure the proper and efficient running of the preventative social services for residents of St. Albert.

As a member of this committee, I find it relatively hard to stand by and watch such services as the homemaker program disintegrate due to the inaction of certain members of town council.

Again, it would seem that the mayor himself is more concerned in reducing the tax dollar than combating the misfortunes of the less privileged members of our society.

We all share the concern of irresponsible welfare payments. However, preventative social services are a method by which this is controlled and, hopefully, reduced to its greatest extent. There is no deep scientific equation in this statement and it cannot be calculated in dollars and cents. Perhaps to the mayor and members of council it has to be experienced.

The answer is very simple.

The council should carry out their original stated intention to appoint an advisory board and hire a new director of Preventative Social Services without further delay.

I am given to understand that certain groups in St. Albert are becoming concerned and propose to take some action to ensure the continuation of good preventative social services in our town. Should this happen I can only pass along a good Diefenbakerism "If you can't stand the heat, you should stay out of the kitchen."

Adult musicians still needed

Last week I posted an article in the Gazette offering the opportunity for adults interested in learning to play a band instrument. As can be expected my phone did not rattle off the hook although there are some people interested. We need more people, and the offer still remains open.

If you as an adult are interested in learning to play a band instrument phone 599-5439 or come to Leo Nickerson School, Music Room on Tuesday nights at 7 p.m.

Two interesting calls were from one lady who is herself interested in a tenor sax and at the same time wondered about music for three of her youngsters while another lady asked about the opportunity of learning to play her son's accordion. On the matter of using accordions in bands I will ask Jerry Wennes. If enough people were interested in piano or accordion we could always investigate opportunities for them.

At any rate if you are interested please indicate

it and lets make music. Watch the Gazette for a report and probably some pictures of your neighbors playing their new instruments. I'll expect your call (599-5439) or see you at Leo Nickerson on Tuesday.

Syd Moore.

Alcohol bad too -PTA group told

People from the age of seven and one-half to 65 years have been treated for drug problems at "Trust" centre, members of Leo Nickerson PTA were told at last Wednesday's meeting.

Lyle Hamer, a former drug user now working as a counsellor with Trust, pulled no punches as he talked to a largely-adult group of some 50 people who turned out for the meeting.

Mr. Hamer opened his remarks with a brief discussion on the work of the Trust organization, which is a society run on grants and private donations, offering help to all who request it. There are some paid staff members and much of the counselling is done by volunteer workers, often people like Lyle, who have had first-hand experience with drugs. The society also has access to professional help.

Counsellors attempt to deal with the problem causing drug use, and Mr. Hamer said that there is always a basic problem which leads a person to begin using drugs. Average age of people dealt with is 17 years. He noted also that Trust gets referred from hospitals of patients treated by them who probably need further help.

He described the three different types of drugs — stimulants, depressants and hallucinogenic, and categorized various drugs under these types, giving such examples as a stimulant, drug which affects the body, alcohol, A depressant, drug which affects the nervous system, barbiturates, and a hallucinogenic, drug which affects the mind, LSD. "Adults should remember that aspirins, tranquilizers, sleeping pills and others are also drugs, and parents

might themselves have a problem if taken off them.

In reply to a question from a parent who said her young son reported he was sick of seeing films on drugs, Mr. Hamer said he could understand it. "There are only about two films used in the school program that are useful," he stated. "A lot of them are actually ridiculous in their over-exaggeration."

The main trouble as Mr. Hamer sees it is the lack of communication between parents and kids. For this he blamed the materialistic attitude of modern parents, under which parents are too busy making money to spend sufficient time with their children, or to enjoy life as a family. "The kids are rebelling against their parents and the materialistic society, and turning to drugs to see life in a more relaxed and warmer light," said Mr. Hamer.

He also reported that young people coming to Trust are mostly from middle and upper class families, and that there are more city than rural kids on drugs.

In closing the discussion Mr. Hamer stated his opinion that alcohol was worse problem than drugs in our society. "For a lot of kids who are hooked on alcohol, the job of getting them off the habit is very difficult, and the alcohol causes as much damage to their health as the drugs."

xious to approve in principle the plan, so as to allow the school board to get on with the new school, and was prepared to hold the matter of the park for the time being. An amendment to the original motion was passed to provide for further consideration of use of the town land in the report.

It was unanimously decided to request the town planner and staff member J. Beedle to prepare a submission to council on a major sports complex site.

A committee recommen-

dation that fees paid to councillors be raised from \$15 to \$25 per meeting was discussed. Cr. de Bruijn pointed out that school trustees are receiving \$30 per meeting, and councillor's fees should be increased. Mayor Gibson gave his opinion that \$25 per meeting was not excessive. Councillor White stated flatly that the increase was not right.

After some discussion and questioning of the secretary by councillors as to the ad-

vantages and capacity of a proposed accounting machine, Councilor White moved that the purchase be approved and the sum of \$27,500 be included in the 1971 budget.

Notice of Public Hearing

The council of the Town of St. Albert having been given authority under Section 119 of the Planning Act, 1963, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone:

That area 1 shown on the map from Residential Multiple Family (R3) to Public Use, (P) and,

That area 2 shown on the map from Residential Multiple Family (R3) to Residential Multiple Family (R3A), to accommodate a Walk-Up Apartment.

The proposed Bylaw No. 2/71 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers, on the 15th day of February 1971 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the eleventh day of February, 1971. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

D. B. O'Connell,
Secretary-Treasurer.

Although 12 years of service as your member has given me a little grey hair, I still consider myself a young man at 47. After 12 years my relationship is excellent with every cabinet minister, every town council and school board, with every nationality, with every religious order, and every service organization, with farm organizations and individuals as well. I am proud of this accomplishment when you consider that I am by nature an individual who has stepped on a few toes and who will not ride the fence under any consideration.

My firm conviction is that the first principle of Social Credit is of utmost importance in this type of work. Individual is the most important of all God's creation. "With this in mind my slogan or theme for the forthcoming nomination will be "Up The People."

Around Town

The arena has got to be the most popular spot in town in the weeks since it opened. Hockey games are jammed with spectators. Last Sunday 375 people paid admission for public skating and over 400 have been recorded. It is not very crowded Wednesday's, however, when there is public skating from 6:30 to 8 p.m., which would seem a reasonable time for many families with young children. The area at the back of the arena has been cleared for parking, and it would certainly be a lot safer than parking on the hill out front. A driver wouldn't have much chance if a youngster ran in front of him while he was coming down that hill, especially when coping with slippery road conditions.

Tickets for the annual Sweetheart Ball put on by the St. Albert Lady Lions are now available, by phoning Cindy Ryley at 599-8379 or Julie Keyes at 599-8248. Get them early if you don't want to miss this always popular mid-winter event. The Lady Lions meet February 8 at the home of Olive Lyles, 42 Greenlich, in the form of a desert party at 8:30 p.m.

On Sunday the Town Council and perhaps some senior staff members will be getting their heads together in a seminar for intensive study and review of the whole situation, with a chance for a wider exploration of each other's viewpoints than is possible during regular council work. Except for

Councillor Russell who will be in Calgary for the "What's the name of that party?" convention,

St. Albert Knights of Columbus lost a close one to the Legal Knights last week when their oldtimers hockey team was defeated 6 - 5. Reports indicate that fans in the Legal Arena thoroughly enjoyed the game. But more as entertainment than a sports thriller, for what we can make out.

Mr. and Mrs. Alvin Logozar are happy to announce the arrival of their first born, a son, James weighed in at five pounds, nine ounces on Jan. 20. Many thanks to doctors and staff of the Sturgeon General Hospital.

For our readers who follow Holly Hill's column -- "Gols on at Paul Kane," we report that Holly is just home from a few days in the hospital, and wasn't able to write her column this week.

Council

Mayor Gibson and Councillors Russell, de Bruijn, White and Hudson will sit on Court of Revision which will begin early next month. Appeals will be closed Jan. 31.

The town will purchase a tractor with snow blower attachment at \$8,955.40. This item was an approval for \$10,000 in last year's budget.

It was decided that a committee of the whole would handle a number of letters regarding the St. Albert Help Society. The mayor pointed out that some letters had no

Now's the time to register for leisure-time classes offered by the St. Albert Arts and Crafts Guild in co-operation with the town recreation department.

There's something for everyone from preschoolers to adults and classes begin the week of Feb. 15.

This second 10-week session of classes includes arts and crafts, gymnastics, drama, painting, woodworking, model aircraft building, multicrafts, wood inlay, leathercrafts, copper-ena-

melling, batik and tie dying, knitting and crochet and ceramics.

There's also an inexpensive and relaxing evening for women entitled "Ladies First." The program runs for six-weeks and will feature guest speakers and demonstrations on such topics as cake decorating, flower making, make-up, gardening and interior decorating.

Kinettes Canvass for Heart Fund

The Kinette Club of St. Albert will sponsor the Heart Fund campaign for the second consecutive year. The town has been divided into 24 areas with a Kinette acting as a captain responsible for obtaining canvassers in each area. If you wish to canvass in your area, contact Mrs. Elaine Welsh, service chairman, at 599-7191.

A coffee party and film with guest speaker Mrs. Phillipson from the Alberta Heart Foundation will be held at the Clubhouse for all canvassers at 8 p.m., Monday, Feb. 8.

Through the generosity of St. Albert's citizens, \$1,300 was collected for the Alberta Heart Foundation last year. Please give generously when the heart fund canvasser calls on you.

CWI plans panel on TV programs

p.m. in the RC parish hall. A short business meeting beginning at 7:45 (members please note change of time!) will precede the panel.

Television content, programming, MEETA, and cable TV, will be the topics under discussion at the monthly meeting of the St. Albert CWI Monday Feb. 1. Under the direction of Father Leo Feehan, who works in the area of public relations for the Edmonton Archdiocese, the panel will include representatives from local TV stations. The evening's program should provide an opportunity to learn why we get the programs we do and if there is any way we can change the television format. All ladies of the community are invited to participate in this program starting at 8:30

basis in fact. Councillor Hudson felt that one letter was in effect spreading rumors, and he did not like it. Councillor Russell thought council should review the whole matter of where this Society is going, and as soon as possible. Councillor Kambouroff said he was receiving about four calls a day on the matter. Councillor de Bruijn asked if he was correct that Dr. Howell had been asked by council for some groundwork on co-ordinating such services, and the reply was yes.

out was Tim Schrader's fifth in six games while allowing only one goal. Panthers then turned the tables on the Broncos last Sunday with a close 2-1 win on goals by James Saunderson and D. Matheson. Darren Leask scored for the Broncos.

Tigers won a close 3-1 win over the Cougars on goals by Claude Joly and Mark Barry.

K. Jackson and E. Gramlich scored a hat trick each to pave the way as the Colts shut out the Bears 6-0.

MITES

Ray Enright scored two goals to lead the K of C to a 6-1 win over the Jets. Chris Skrobot, Bob Drysdale, Larry Sander and Lucien Faciote scored singles. Kent Middleton tallied for the Jets.

Scott Gannon played a stand-out game in goal as the Rangers shut out the Warriors 7-0. Bob Can scored three goals while Alan Sinclair, Doug Motsey, Bill Sinclair and Gary Gowen added singles.

Page 8

Flyers scored a close 5-4 decision over the Nuggets. Murray Harris, Mike Parkins, Bernie Joyal, Larry Delseuw and Roly Mowatt scored for the winners while Breen Neeser, Graham Malby and Lon Eschack with two tallied for the Nuggets.

PEE WEE

Jim Scheibelhofer, Michael Mitchell and Alex Solberg scored two goals each to lead the Lions to a 9-2 win over the K of C team. Rory Ryder, Trev Parayko and Allan Jensen scored singles for the winners while David Shipanoff and Darrell Lipiak blinked the light for K of C.

Red Wings shut out the Warriors 4-0 on two goals by T. Leddy with singles going to T. Weiss and R. Kowalczyk.

N. Hill scored four goals to lead the Mustangs to a 7-4 win over the Barons. B. Sinclair, G. Brown and S. Chyzowski added singles. M. Neese scored two for the Barons with R. Weller and B. Breaky getting one each.

Lions defeated the Red Wings 2-0 Tuesday night on goals by Michael Mitchell and Travis Parayko. Helge Eyford earned the shut-out.

Warriors and Fire Department played to a 2-2 tie Tuesday with Keith Wolodka scoring twice for the Warriors, Mike Wymnyk and Chris Perrault tallied for the Fire Department. Bernie Roy has allowed only nine goals in six games for the Fire Department team.

BANTAMS

Co-op defeated Stedebauer 5-1 on a three goal performance by Rick Gagner and two from the stick of Roger Meunier. Dale Reinbolt scored Stedebauer's only goal.

Seals defeated the Canadians 6-0 with Rod Gouchy scoring twice, and singles by Bruce Muzichuk, Gary Muzichuk and John Fields.

MIDGET

St. Albert Bruins defeated the Fort 4-2 in a game played at the St. Albert and District Arena Monday night. Ron Dawes, Craig Neeser, Doug Reinbolt and Dick Vandenberg scored for the Bruins. D. Tetz and B. Stott counted for the Fort.

Last Sunday at the Fort the Wildcats were thumped 9-1.

With the exception of goaltender Bernie Alain (far left) it would appear from expressions that the Comets lost. Such was not the case as Jim Read (next to Alain) scored twice with singles to Rich Perrault (A) and Rick Pugliese (right) as they scored a 4-2 win over the Ray's Esso squad last Friday in the arena.

Comets Back Winning

front 2-1.

Although the second period was scoreless, the Comets appeared to be coming on. When they did make mistakes Bernie Alain helped them out with many good saves. Since this young goaltender has joined the team he has kept the Comets in the game on numerous occasions with his fine play.

Jim Read, Comets leading scorer, potted the tying goal at the 5:00 minute mark of the third on passes from Rich Perrault and Al Laplante, and 53 seconds later

put in the winner with Frank Joyal and Laplante helping out. Rick Pugliese scored the insurance marker three minutes later as the Comets went on to win 4-2. These were valuable points as Comets are fighting it out with Ray's for the fourth playoff spot.

Alain's fine work in goal earned him St. Albert's most valuable player.

On Sunday coach Ron Yanoski used his second net minder Don Serna for the first game against the CFB team from Namoo and with

Coach Doug Millroy is shown here with his bantam representative team shortly after they scored a 3-0 win over the Hinton Darts in Hinton last weekend. The game was one of a number played during the week in support of Minor Hockey Week in Canada.

Blackhawks split in Hinton

The travelling Blackhawks under coach Doug Millroy took part in Minor Hockey Week in Canada over the weekend in Hinton.

The Blackhawks are St. Albert's representative team in the provincial playoffs and were strengthened by four players -- Jim Plas-teras, Roger Belley, Roger Meunier (all from Co-op) and Greg Thibert from the Leafs.

The Blackhawks' lost a close 3-2 decision in the opener played on Saturday at 3 p.m. Gary Browns and

Greg Thibert scored for St. Albert. Hinton Darts were led by R. Hill, G. Lewis and R. Schrader. St. Albert controlled most of the game and outshot Hinton 39-23.

Sunday's game saw the Blackhawks skate to a 3-0 win on two goals by Jack Werblecki and a single by Richard Carlgan. Werblecki was named the first star of the game and won himself \$3.

Again excellent goaltending by Hinton held the score respectable as the Blackhawks out-shot Hinton

36-16.

Roger Belley was in the nets for St. Albert and played steady.

Hockey Coaches Please Note

Mr. Fred Calkins, minor hockey chairman for the Kinsmen Club urgently requests all coaches to please take any game sheets they have to the caretaker at the arena so that league standings can be compiled.

It would also be appreciated if the coaches could print or write clearly the first and last name of the players on the game sheet so that Mr. Mitchell from the Gazette can use them for the sports column.

the exception of the only goal he allowed, played very steady. Serna blocked a slap shot from the point with his shoulder but as he was turning around, the puck rolled off his arm and into the goal to give CFB a 1-0 lead. He did not let this bother him as he went on to play superb goal and shut out CFB the rest of the game.

An unassisted goal by Terry Dube tied the score early in the second and the silver fox (Joe Cassidy) popped in the winner on a scramble in front of the CFB goal with Laplante and Read drawing assists.

Laplante, Frank Joyal, Rich Perrault and Read with his second goal of the night rounded out the Comets 6-1 triumph. Jim Read was awarded the Comets most valuable player while Perrault and Laplante each picked up a goal and two assists.

The Comets have now won five out of their last six games and are very close to fourth and last playoff spot.

Comets play host to the Spruce Grove Marcuries this Friday at 8:30 p.m. and travel to Namoo on Sunday for a return match with the CFB team at 2 p.m.

Team programs are now available at Comets home games for 25 cents, with the proceeds going towards the operation of the club, and the St. Albert Boy Scouts.

Comets play Edmonton Nut and Bolt at 9 p.m. Wednesday in the Gardens for a catch-up game.

Meteors upset

St. Albert Meteors Seniors B team took a 7-0 thumping from Villeneuve on Monday night in the St. Albert and District Arena.

G. Soetaert led the way with two goals while R. Bokenfohr, V. Soetaert, J. Bokenfohr and the Boddeze brothers, Adrian and Don, added singles. A total of 20 penalties were assessed and Meteors took 13.

Gibbons defeated the Meteors last week 5-2. Ernie Calahoo and Lester Olson scored for the Meteors.

In support of Minor Hockey Week in Canada, the Comets Hockey Club wishes to invite all boys wearing their hockey sweaters free of charge to this Friday's game, when the Comets meet Spruce Grove Marcuries in St. Albert Arena at 8:30 p.m.

Badminton club enters tournament

Several St. Albert badminton players kept busy this weekend and upheld the name St. Albert among city badminton clubs. Between them they collected five titles at the Bonnie Doon Annual Invitational Tournament held Saturday and Sunday at Jasper Place Composite.

Bernice Parsons won the ladies singles and also was a winner in "A" secondary mixed doubles while the other three players took their share in the C events. Beryl Harding won the C ladies singles, then combined with Frank Carnahan to win the C mixed doubles.

Frank later teamed up with Clark Warren to win the C men's doubles.

Norm Caruthers was a strong contender in the C secondary singles, reaching the finals, but couldn't quite make it in his first attempt at outside competition.

However, the club wasn't so fortunate in maintaining its name in the B Interclub. They fell to disaster against Bonnie Doon, losing 18-2 despite Judy Woods' two wins in the ladies singles.

The next B Interclub will be played Jan. 29 at the University, when the team will be looking to make up these losses.

RECREATION Hi-Lites

Mothers with pre-schoolers are reminded that there is a skating session especially for them on Wednesday mornings from 10 to 11 a.m. and mothers with young school children could perhaps give some thought to bringing them to the sessions on Tuesdays and Thursdays from 4 - 5:30 p.m., there is more room to skate at these times than at the sessions at the weekends.

The cost of admission is: adults - 50 cents; students (13 - 18) - 25 cents and children (12 and under) - 15 cents.

FIGURE SKATING

The instructors of the learn-to-skate class have suggested that parents equip their children who are taking this class with helmets. There's many a fall taken while learning to skate and the wearing of a helmet could prevent a serious head injury.

YOGA

Ladies interested in the current session of yoga classes should phone Mrs. Betty Daley at 599-3937 for information.

YMCA

Mrs. Halga Kirschkowsky, instructor of the Swedish Gym classes, would welcome more ladies at the class which is held in Leo Nickerson School on Thursday evenings from 8 - 9 p.m. The session of classes runs through till April.

A gym class for boys and girls from 8 - 12 is held every Tuesday evening in Leo Nickerson School from 6:50 to 7:50 p.m. and from 9 - 9 p.m. A drop-in program for the 13 - 15 year olds is held in the same school.

Details of the YMCA swim program (which includes transportation to and from the West End "Y") will be announced later.

White - deChamplain wedding

LEGAL -- At a candle-light double ring ceremony at St. Joachim's Roman Catholic Church, Dec. 28, 1970, Miss Rita de Champlain, daughter of Mr. and Mrs. Adelard de Champlain of Legal, was given in marriage by her father to Mr. Stuart White, son of Mr. and Mrs. Jack White of Rimby.

Rev. Father Claude Prefontaine, cousin of the bride conducted the ceremony with Father Claude de Champlain, uncle of the bride, assisting.

The bride wore a floor length velvet scalloped obtrunc gown styled with a double ring neckline and a fitted bodice with a slight flounce starting from the hip-line to become fuller on the bottom. Her full length veil was secured with a single

ring as a headpiece. She carried an orchid with stephanotis. The gown was designed by Mr. Sig Plach, courtier of Edmonton.

The bridesmaids were Agnes Montpetit, sister of the bride, and Miss Susan Diamond. They wore identical velvet burgundy dresses with a heart shaped neck decollete with the skirt slit to the waist revealing a white full length pant. They carried creme poinsettias.

Best men were Mr. Roger Kangas and Mr. Dan Garvey. Ushers were Mr. Leo de Champlain, brother of the bride and Mr. Glen White, brother of the groom.

Mrs. Margie McLean was the soloist for the occasion with Mr. Michel Meunier accompanying on the organ. The mother of the bride

chose a hot pink ribbon dress with a pink orchid corsage. The mother of the groom wore a two piece wine ensemble with a yellow orchid corsage.

Following the ceremony a reception and dance was held at the Club Moombo. The master of ceremonies was Mr. Tony Rich and the toast to the bride was given by Mr. John de Champlain, brother of the bride.

For a skiing honeymoon to the mountains, the bride chose a red and white three piece imported wool midi ensemble with black accessories. She carried a stem arrangement of sweetheart roses. The ensemble was also designed by Mr. Olach.

Mr. and Mrs. White will make their home in Edmonton.

Croziers mark silver wedding

Mr. and Mrs. Cliff Crozier celebrated their 25th wedding anniversary on Saturday evening Jan. 23 in the Namoo Community Hall. A large crowd of friends and neighbors danced to the music of the Golden Allos.

A skit "The Story of Your Life" presented by Angie and Harold Paul, Mary and

Harold Clark, and Shirley and Marvin Trimble proved to be quite hilarious. Dianne and Ron Nelsen accompanied by Barbara Crozier at the piano, sang appropriate songs to accompany the skit, while Mr. Hugh Crozier was narrator and master of ceremonies.

Mrs. Marilyn Arndt,

daughter of Mr. and Mrs. Crozier, made a presentation to her mother and dad on behalf of the family. Mr. Jack Nelsen, a long time friend and neighbor of the Croziers made a presentation to the couple on behalf of the community.

Mr. and Mrs. Crozier have five children all of whom were present. Mrs. Marilyn Arndt of McGrath, Mrs. Judy Gehring of Yellowknife, Tom, Bob and Shaun.

Legal Locals

Les Femmes Chretiennes will hold their monthly meeting at the Senior Citizens home on Feb. 1.

Mr. and Mrs. Leo Bolsvert and family from Montreal are visiting friends and relatives in the district. Mrs. Bolsvert will stay with her parents Mr. and Mrs. William Demers while her husband takes a two week course in Regina and another in Ottawa. She will then return to join him in Montreal when his courses are completed.

Congratulations to Mr. and Mrs. Ernest Pelletier upon the arrival of their first born, a son Ronald Edmond who was christened last Sunday by Father Bissonnette. The proud godparents are Mr. and Mrs. Armand Tieulle.

Keep fit classes will be held every Tuesday at the school gymnasium at 8 p.m. Everyone is welcome.

The Legal Local Browline and Girl Guides wish to express their most sincere

thanks to all those who supported and helped at their recent rummage sale. With everyone's help and co-operation it was very successful. The winners of the raffle were August and Billy Kleser.

The Legal Arena was bursting with enthusiastic

spectators Saturday night when the Legal K of C "Old Timers" played their first hockey game of the season and ended up defeating the St. Albert K of C by a score of 6 - 5.

When these two teams get together fans can bank on crowd pleasing hockey entertainment.

The boys and girls of two classes of the Creative School Society had a grand time Tuesday morning when they were taken for a visit to the Fire Hall. They climbed on the fire engines, tried on firemen's hats and got deliciously scared by the unexpected blowing of the siren. Mrs. Shoen's class, Creative School Society, front row, left to right: Donald Wade, Brett Garrison, John Kisli, Donald Yon, Lauranne Iseke, Lida Swann, Mark Loshak, Mark Young, Douglas Clark, Todd Brock, Nancy Schick, Laurie Mornyluk, Heide Engler. Back row: Mrs. Shoen (teacher); Cindy Babluk, Karen Beeby, Sarah Boyes, Michael Upright, Jill Howell, Patty Bennett, Carmen Laplante and Mrs. Barnaschone. Missing from the picture are Bruce Cameron and Peter Loman.

Nursery School class of Creative School Society, back row, left to right: Mrs. A. Opder Heyde (teacher); Allison Lock, Marianne Denbraber, Kirsten Madson, Bradley Palcu, Nathan Singham, Robbie Stewart, Nancy Purdyk, Gregory Mowbrey. Front row, left to right: Elizabeth Dawson, Kathryn Paton, Shelley Hood, Sharon Bedrey, Barbara Taylor, Kathleen Geddes, Finlay Fairfield, Michael Wolodko, Collin Dobie, and Kendell Thomas. Missing are Sharon Martin and David van Este. The children were touring the fire hall Tuesday morning.

North West 4-H Plans Active Year

Information coming out of the fall meeting of the North West Region 4-H Council indicates an energetic and forward-looking council. Recreational, educational and community service areas of 4-H activity are all represented in Margaret Barton's report.

A Curl-O-Rama will be held at Thorhild, Saturday, March 27. This will not be considered as a competition, but just a friendly get-together of 4-H'ers and thus enabling more members to take part. Teams should be selected at a county level, names of persons interested forwarded to local council and eight names selected. These eight names along with the possible position

they play, should be forwarded to the Thorhild council. New members are encouraged to take part.

This year the public speaking finals for the north half of the North West Region will be hosted at Rochester on April 16. The south half of the North West Region will be hosted by Stony Plain Council on April 23. The meeting further discussed pros and cons of public speaking being divided into junior and senior groups. It was decided to leave it as it is.

Tap dancing spectacular will be held on April 18 in the Jubilee Auditorium. The North West Council and the Edmonton Regional will be sponsoring it again. Pro-

ceeds to go to the Crippled Children. The council would welcome help from adult leaders for work in coordinating this event. Anyone interested in this type of work is asked to contact Mr. Allan Shenfield at Spruce Grove.

North West Junior Camp, at He Ho Ha held in August was most successful. Each 4-H club sends \$1 per member fee to the North West Council. Where the \$1 per member was not paid, the attending member was charged \$18. It was decided that this camp be held again in August, 1971. Monies for camp to be forwarded to the secretary treasurer, Mrs. Ray L. Rigney, Box 90, Bon Accord. Enclose a letter with your

money, giving address and name of club.

More information was requested regarding receiving credits on the high school program for 4-H work. This information to be mailed out to leaders by Rick Andrews.

A competition is being sponsored by CFCW for 4-H reporters. The person submitting the best set of reports will receive a tape recorder as a prize. Information regarding this contest can be obtained by writing to Chuck Greig, CRCW Camrose.

New slate of officers elected at the meeting are as follows: President, Allan Shenfield, Spruce Grove; vice president, John Ohmystry, Stony Plain; second vice president, Dave Hughes, Leduc; secretary treasurer - Dorothy Rigney, Bon Accord; reporter, Margaret Barton, Barrhead.

Stop Smoking Alumni formed

A large group of those St. Albert residents with the will power met last Wednesday evening and formed an Alumni Association for carrying on the good work of the Five-Day Stop Smoking plan.

They heard a talk by Mike Andrews of NAIT on emphysema before getting down to the business of the evening. Officers were elected for the Alumni who will be in charge of continuing group therapy and special events from time to time. They are J. Wagnersold, president and Joanne Van Meeteren and June Bishop, his

two assistants.

The new executive met last night to make plans for a February get-together. Mr. Clarence Grossowill be in charge of the follow-up program for all who participate in the plan. He will contact each of the 96 people who stopped smoking once a month for three months, again at the end of six months and then once a year for four years. In addition to providing any help requested, information is compiled in this way for the research work of the plan, which aids in improving and extending the work.

New postmasters in Vimy

Pictured above are M. Albreda Fortier, councillor for MD Westlock; Mr. Alan Mitchell, supervisory postmaster; Mr. and Mrs. Leo Provencal, new postmasters for Vimy. The Provencals have replaced the Landry Bros. who have had the post office for 45 years.

Vimy news

By Jeanne Lantane

Mrs. R. Fortier is spending a few weeks in the district visiting her children and friends.

Engagement congratulations are extended to Mrs. Yolande Pelletier and Mr. Vern Selbert from Picardville.

Mr. and Mrs. Gordon Bombersback spent the Yuletide season visiting in San Francisco, Vancouver

and Las Vegas.

Mr. and Mrs. Alec Cyre are the proud parents of a 5 lb. 9 oz. baby boy born on Jan. 6. Congratulations to the happy parents.

Mr. Leo Provencal is the new postmaster in Vimy. The new post office is located adjoining his home.

Mr. and Mrs. John Baert have taken up residence in Clyde.

New office opens in Morinville

Mr. Marcel Pelletier, who is now a licensed real estate agent, under the Agents' Licensing Act, has opened an office in Morinville this week under the name of Marpell Real Estate.

The firm will offer com-

plete real estate service in private homes, commercial, farm and acreage properties.

Mr. Pelletier has completed a real estate course at the Northern Institute of Technology, as well as having written and passed the examination required under the provincial licensing act.

Marcel Pelletier is well known throughout the district, and has been in business in Morinville for the past 13 years.

FUA endorses Atkinson

An overwhelming vote of confidence has been given to The National Farmers Union Executive and Board, President Roy Atkinson, and Regional Co-ordinator, Walter Spak by the more than 500 NFU Alberta members representative of all Locals in Region 7 who attended a closed meeting in Edmonton of the organization on Tuesday.

Called to clear the air on charges levelled publicly against the executive of the NFU and its President Roy Atkinson by two former NFU directors, Bob Cheshire of Ashmont and Mrs. Gloria Paquette of Picardville, the 1 1/2 hour meeting dealt with numerous questions but did not produce the expected fireworks. Both former directors failed to appear to relate their grievances and explain their resignations to the attending members.

Mr. Atkinson reported he had heard through the press of "pre-conditions" for the attendance of the two former directors but had received nothing in writing until Monday evening. In any event, he stated, Mr. Cheshire and Mrs. Paquette had a responsibility to appear and explain their actions to the membership which had elected them at the NFU convention held in Winnipeg, six weeks ago.

A solid round of applause was precipitated by Mr. Atkinson's statement that the failure of the two former directors to appear had not only denied members of receiving any substantiation of their charges but would be regarded as proof that they had no genuine grievances.

In a surprise statement to the meeting, Mrs. Shirley Kowalschuk of Willingdon who resigned as an NFU director three months after her election in March, 1970, reported to the members that the reasons for her resignation has been widely misconstrued to the membership by Mr. Cheshire. She told of frequent meetings of Alberta board members that had been called by Mr. Cheshire during the time she had been a director for no better purpose than to analyze for possible motives and intentions, various executive actions or decisions.

A resolution which recommended that Mr. Cheshire and Mrs. Paquette not be allowed to ever seek office in the organization in future did not receive favor from

By Rose Martel

Last week's Senior "B" stars were Ron Odyanski - Morinville Majestics, fast skating centre who scored three goals and got one assist. George St. Laurent, well known defenceman with a hard slap shot, was credited with two goals and two assists and Gay Challoux, a young right winger with good potential who scored one goal and two assists.

Top scorers are Ed St. Laurent with 10 points and Marcel Tourangeau with six.

On Jan. 17 the game between Morinville and Legal has been declared no contest due to a protest submitted by the Majestics, following a speeding attack by Legal player B. Cyr. A re-match will be held on Tuesday, Feb. 16 at 8:30 p.m. in Morinville. Game suspensions have also been effected on Morinville's George Wiley and Legal's H. Charols, as a result of a fight which erupted late in the third period.

Villeneuve defeated Morinville 8 - 3, Jan. 20. Guy Chailfoux scored the first goal assisted by Bob Perras and Leo Ethier. Vic Soetaert scored next for Villeneuve. Eddy St. Laurent responding with a second goal for Morinville. The fourth goal was scored by Paul Bokenfohr of Villeneuve in the beginning of the second period, tying up the game. Then Villeneuve had four unanswered goals by Gerald Soetaert, Nell Ross and Philip Soetaert, scoring twice. George St. Laurent scored the third goal for

the members and was rescinded after NFU President Roy Atkinson pointed out to the meeting that the resolution was not only unconstitutional but was, he felt, too harsh.

The motion of confidence in the NFU president and its executive which followed with its further resolution to build a strong National Farmers Union in Alberta and recommendation that the NFU board accept the resignation of the two directors, received the overwhelming endorsement of the meeting.

On the matter of filling the two vacancies that have been created by the resignations, Mr. Atkinson reported that the NFU executive would recommend to the board of directors that a special meeting on a delegate basis be called in the region to elect two directors.

Attending the meeting in addition to Mr. Atkinson were NFU Vice-President Walter Miller and Wcmen's President, Evelyn Potter. Ed Motowyl of Westlock, director of district three acted as chairman.

Morinville, assisted by Ron Odyanski in the final period. Jim Bokenfohr and Paul Bokenfohr also scored for Villeneuve. Five minor penalties and a 10 minute misconduct were handed out to Morinville while Villeneuve received five minors.

On Jan. 22 Majestics lost to Vimy Rockets 6 - 4, in a fast and rough game that saw George Wiley of Morinville rushed to hospital after being hit on the jaw by a hard slap shot. Luckily no broken bones were reported but a very bruised player with severe face lacerations.

Scorers in the first period were Art St. Arnaud and Gaston Fagnan of Vimy and Terry Maslyk for Morinville, assisted by Eddy St. Laurent and Bob Perras. The third and fourth goal were credited to Darcy Baert and Rick St. Arnaud from Vimy. Goals two and three for Morinville were scored by Richard Wright and Eddy St. Laurent. Engaged girls enjoy party

About 15 St. Albert girls and their guests attended the Welcome Wagon engagement announcement party held Monday at Chateau LaCombe. Each girl was able to bring her mother, or mother-in-law or bridesmaid to the party.

At the suggestion of hostess Mrs. June Leggett, who arranged the annual event, the program this year opened with a talk by Dr. John Bergman, a minister who is with the Inter-faith Counselling Service. The girls were clearly much impressed with Dr. Bergman's excellent address and enthusiastic to their applause.

A group of city business firms supported the party with many prizes awarded and a number of informative talks on various aspects of planning a wedding. The girls learned from experts about such matters as wedding flowers, care of fine crystal, arranging for wedding photography, services available on a rental basis, care of diamonds and so on. CICA's George Payner acted as master of ceremonies.

Highlight of the evening was a fashion show with Tracy's House of Fashion

and Walt's Klothes Klost showing the styles, and Mary McLean commenting. Twelve bridal gowns and six bridesmaids were shown, together with the appropriate jackets and attire for men in the wedding party. Models were from Julliard, and hairstyles for both models and hostesses were by Mr. Jim McDonald's Place of Hair. St. Albert's Lillian Upright and Richard Leggett were pianist and soloists. Mr. Leggett sang "Because" during the program break, and for the finale, with all the fashion show models on stage, he sang "I'll Walk Beside You."

A thrilling moment came with the announcement of the winner of the wedding gown by "Portrait," given by Tracy's, which went to Miss Brenda Rye. Donna Martel of Morinville won a beautiful lamp from Sun Appliance and Furniture, who are holding a private showing for the engaged girls this evening. Yvonne Gibeau of St. Albert won the door prize, and Cella Parker of Edmonton won a complimentary suite at the Chateau LaCombe for one night.

CFMM survey glum on job outlook

Mayor S. L. Buckwold of Saskatoon said in Edmonton Friday, that The Canadian Federation of Mayors and Municipalities "wishes to bring home - now - to the Government of Canada, the urgency of doing everything possible to help the unfortunate man and woman who want work, but cannot find it. The critical unemployment in many parts of Canada today, is an immediate problem," said the mayor, who is also chairman of the municipal finance committee.

Mayors from the major cities in Canada met in Edmonton Friday to discuss the federal government's proposals for income security for Canadians, and unemployment insurance in the 70's. Two government white papers served as the bases for discussion.

CONSTRUCTION SURVEY

In the interest of obtaining further information on the prospect for reduced unemployment for 1971, the Canadian Federation of Mayors and Municipalities conducted a survey of mayors and other elected officials of 20 major Canadian cities.

Only one half of those questioned think that the total value of construction in their municipalities in 1971 will be greater than

1970, a year of general recession.

The major area of concern is in industrial construction, where three-quarters of the respondents think that the 1971 level will be less than or about the same as 1970, and only one-quarter see an increase. It is industrial construction that in large part provides additional permanent jobs.

In answering the question on the general level of unemployment nearly two-thirds saw the 1971 prospect as no better or even worse than 1970.

Finally we considered the measures introduced by the federal government since August, 1970, designed to promote economic recovery and to reduce unemployment and we asked: "Do you feel the total impact of these measures will be sufficient to promote a recovery and substantially reduce unemployment in 1971." The answers were:

"an alderman from one city said "partially;"

"an alderman from one district said "probably;"

"two mayors gave qualified endorsement;

"the remaining replies to this question indicated a clear "No!" - the present federal government measures are NOT enough to promote economic recovery and to significantly reduce unemployment in 1971.

The results of this in-

formal survey are of serious concern to the CFMM, Mayor Buckwold reported, and the federation will request

that the Federal Government act with vigor to realistically improve work opportunities.
